DEFICIENCIES
B.2 Accessibility
The program is working to address this deficiency. In the APR being prepared for the 2014 visit, the program is encouraged to provide ample evidence of this ability.

B.5 Life Safety
In the APR being prepared for the 2014 visit, the program is encouraged to provide ample evidence of this ability.

B.6 Comprehensive Design
The program provided copious documentation of how it is addressing this deficiency. An assessment of how student work reflects what is being taught would be helpful. In the APR being prepared for the 2014 visit, the program is encouraged to provide ample evidence of this ability.

B.7 Financial Considerations
In the APR being prepared for the 2014 visit, the program is encouraged to provide ample evidence of meeting this SPC at the level of understanding.

CAUSES OF CONCERN
Program response to recent VTRs and FEs
The program understands the urgency of addressing this concern and has made fundamental changes in several areas to reverse “this pattern of failure.”
